## Multiculturalism Project Officer, Summer Position

### About the Organization

The Canadian Multifaith Federation (CMF) is a not-for-profit charitable organization representing a wide range of faith groups. CMF facilitates adequate and appropriate spiritual care and accommodation of religious rights in institutions & community-based agencies and programs.

### Position Summary

Canadian Multifaith Federation (CMF) is looking for a student to develop products, from those who are students or graduates, in social science or humanities of a Canadian university.

### Status

- Seasonal: 1 Position
- Start date: June 5, 2023
- Hours of work: 35 hours per week
- Duration: 8 weeks

### Objective

- Provide quality work experiences for youth
- Respond to national and local priorities for youth who face unique barriers
- Encourage youth in order to explore self, in a team environment
- Provide opportunities for youth to develop and improve their career goals

### What We're Looking For

- Must have exposure in developing a business product
- Strong analytical and problem-solving skills in product development
- Exposure to a product management role and/or writing product specifications is helpful
- Demonstrated capacity for developing and understanding strategy

### Qualifications

- Enrolled in or completed a university program in social science or humanities
- experience in a project management
- exposure to writing a white paper
- Experience with cold calling potential customers & clients
- customer service to gather data for product improvements

### Responsibilities

- Identify the gaps in the existing products for the clients and government services
- Conduct research related to quality of the product and its impact on customer satisfaction
- Contact the potential people or faith-groups for the identified goals
- Collect required data from the selected organizations, and populate in required format
- Create survey tools and conduct survey using web-based resources
- Systematically capture data from responses and generate the required output
- Summarize the activities and prepare bi-weekly written reports
- Submit weekly time sheets with indicators of accomplishments
